A black, minimalist pendant light fixture with a single, glowing white LED bulb. The fixture consists of a thick, curved black ring that holds the bulb in place. The background is a plain, light-colored surface.

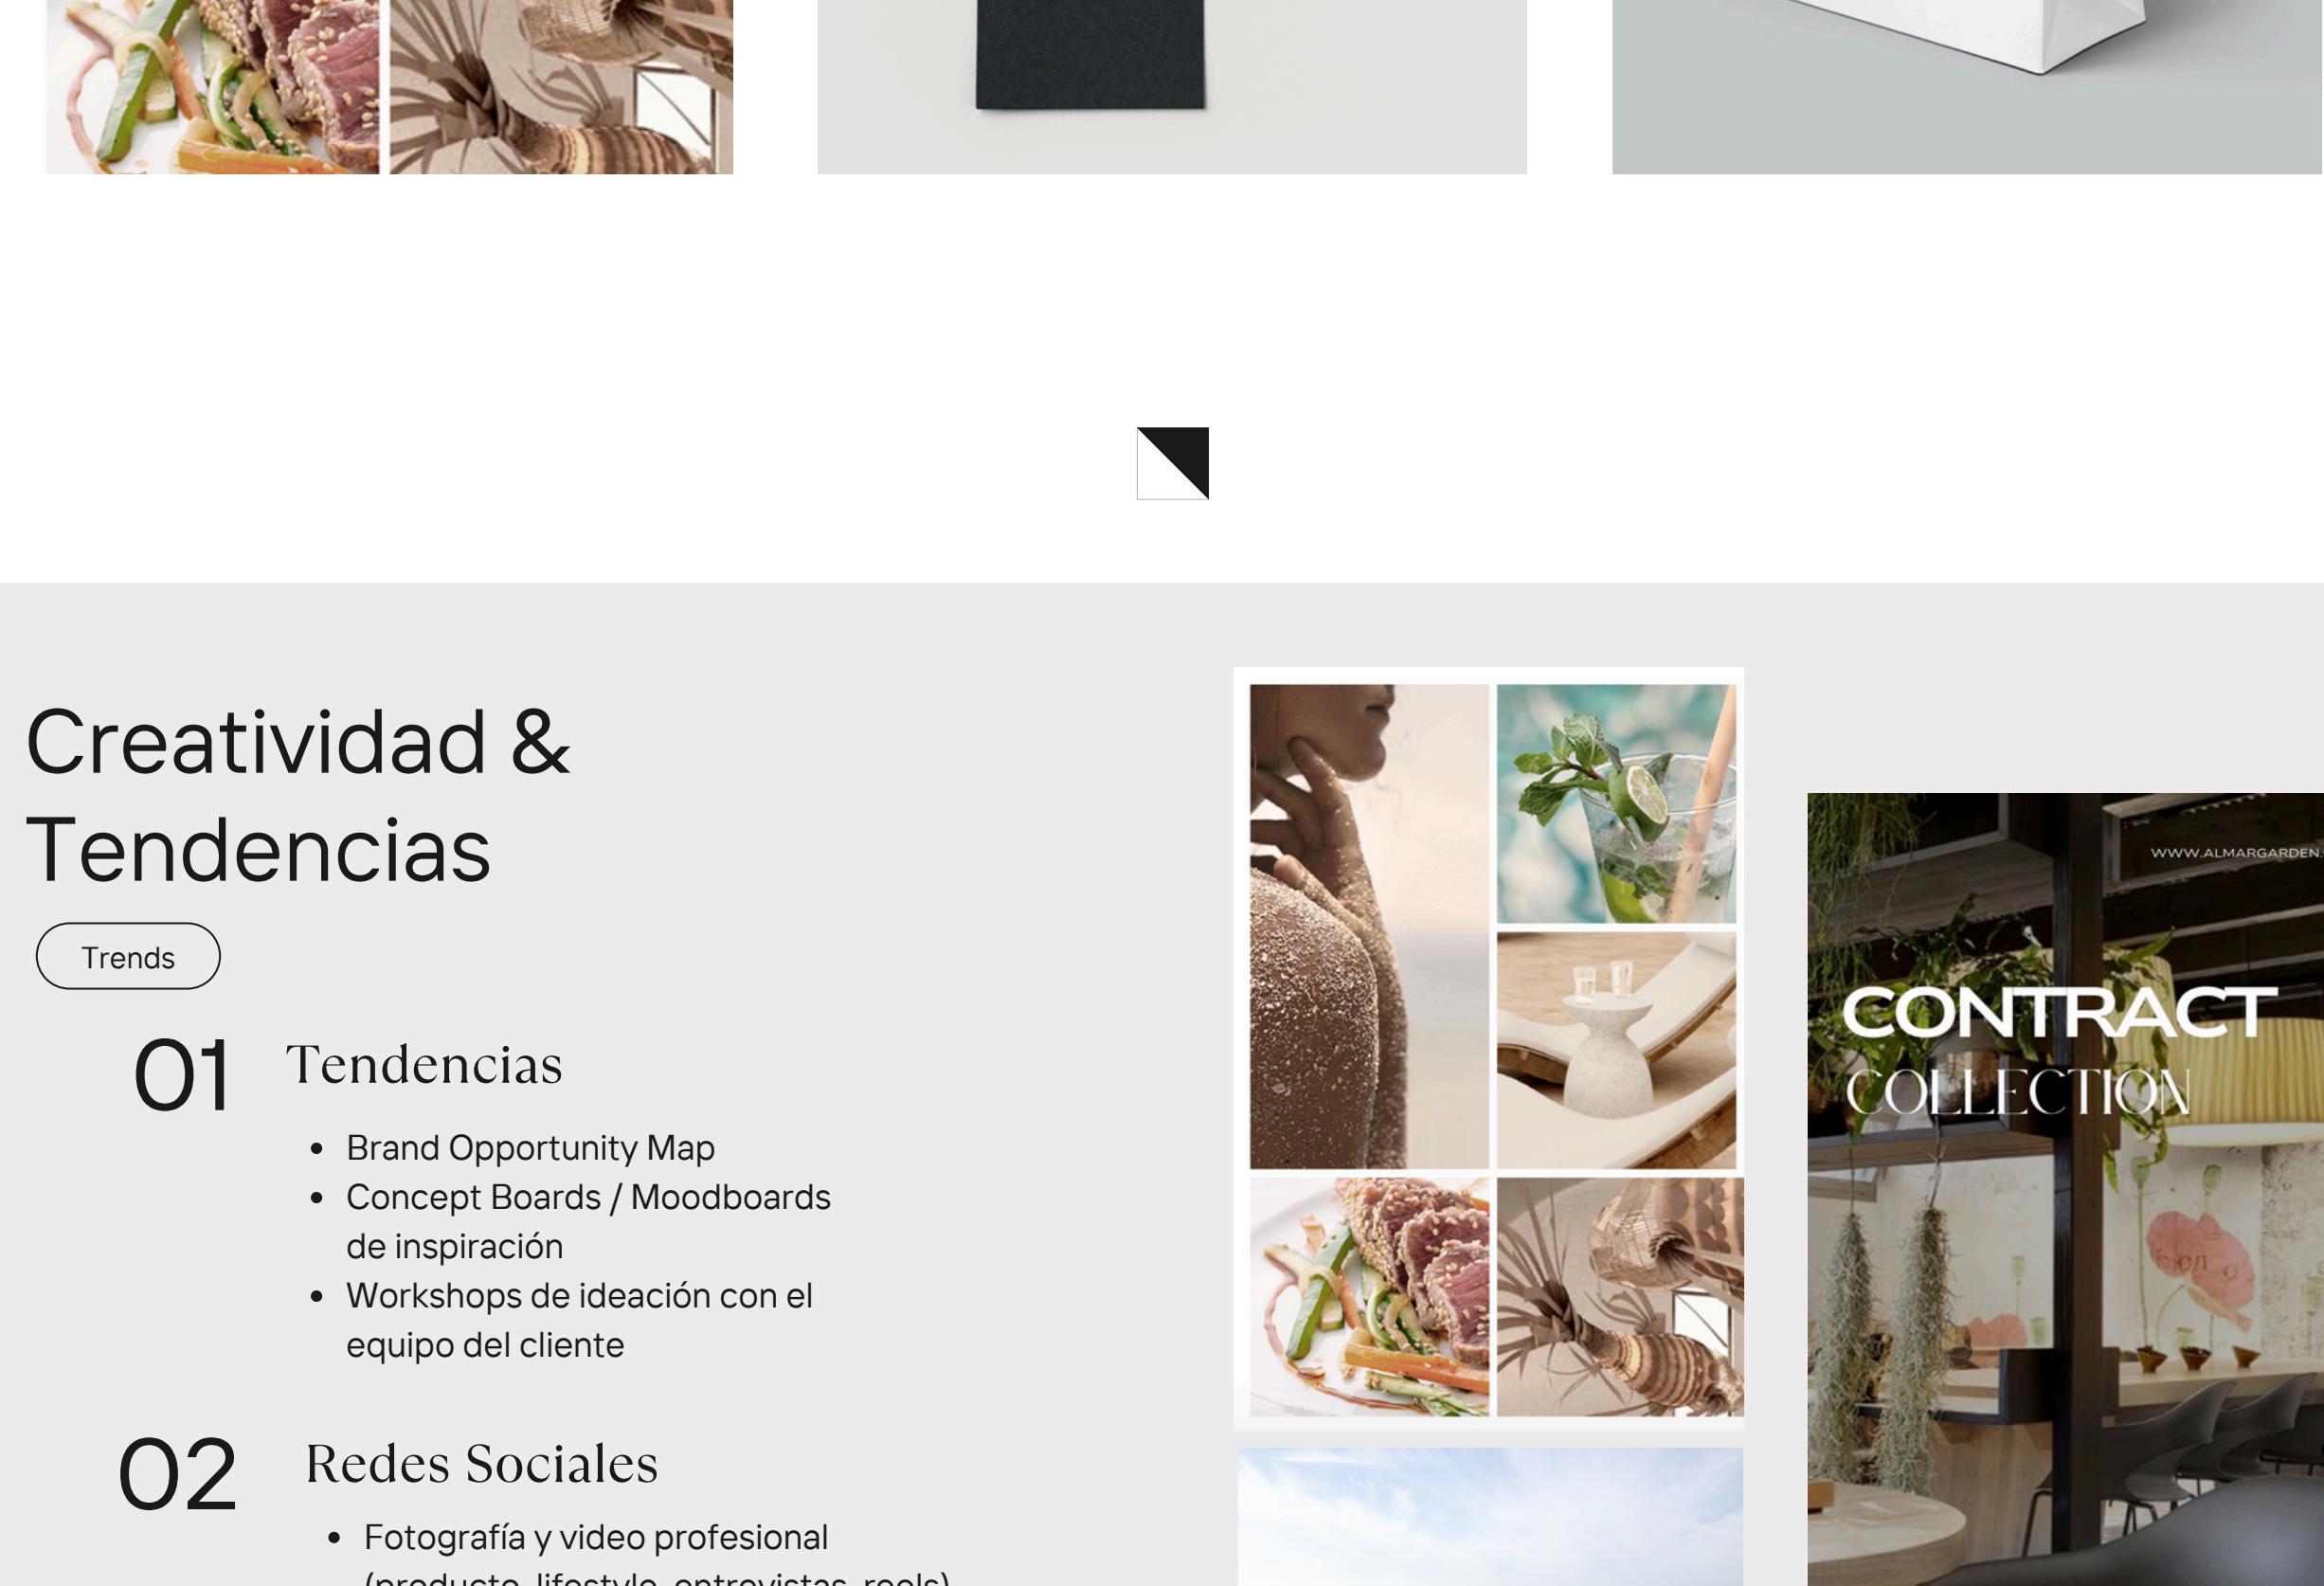

The image is a collage of three distinct photographs. On the left, a large, bold, black serif font spelling 'uro' is displayed against a white background. In the center, a woman with long dark hair, wearing a light-colored sweatshirt, is the subject of several simultaneous photographs taken by hands holding smartphones. The hands are positioned around her torso, creating a sense of multiple perspectives. On the right, a close-up shot shows the edge of a laptop screen, which is black and framed by a thin black border, resting on a surface next to a clear glass.

A collage of two images. The left image is a close-up of a person's hand, fingers slightly curled, holding a lit cigarette. The right image is a mojito cocktail in a tall glass, garnished with fresh mint leaves and a lime wedge.

- A close-up photograph of a modern architectural detail. In the foreground, a large, white, angular steel or aluminum frame structure is visible, with sharp edges and a minimalist design. Behind it is a dark, textured stone wall, possibly made of large-format tiles. The background is filled with bright, out-of-focus green foliage, suggesting a garden or park setting. The lighting is bright, casting soft shadows and highlighting the metallic texture of the frame.
